From Wikipedia:

Jagadish Chandra Bose

Sir Jagadish Chandra Bose CSI CIE FRS , also spelled Jagdish and Jagadis, was an Indian polymath, physicist, biologist, biophysicist, botanist and archaeologist, and an early writer of science fiction. He pioneered the investigation of radio and microwave optics, made significant contributions to plant science, and laid the foundations of experimental science in the Indian subcontinent. IEEE named him one of the fathers of radio science. Bose is considered the... Read More
